

*On the Virtues of Beasts
of the Realms of Imagination,
Their Features, Habits, and Dispositions, and the Valuable Lessons
for our own Lives to be Learned Therefrom,
Illustrated with Relief Block Prints of each Marvelous Creature,
Taken from the Author's Own True and Accurate Observations and
Experiences while Exploring the Fantastic Realms.*

In the spirit of medieval bestiaries, this beautifully illuminated volume provides a well-stocked alphabet of mythical, magical creatures hailing from a wide variety of times and places. Charming and warm-hearted descriptions and illustrations urge all who love magic to take inspiration from these fantastical creatures and consider what they can tell us about the magic in our own lives.
